

## Finish the Poem

Fill in the blanks in the poem by writing the letters in the alphabet that come after the ones given in parenthesis. For example, ahakd would be Bible. (A follows Z.)

God takes His time to make a \_\_\_\_\_, (sqdd)  
A tiny babe or bumble \_\_\_\_\_. (add)  
He makes them slow so we can \_\_\_\_\_, (rdd)  
And know the way we ought to \_\_\_\_\_. (ad)

The farmer's work is very \_\_\_\_\_, (rknv)  
Waiting for the seed to \_\_\_\_\_. (fqnv)  
He must have a lot of \_\_\_\_\_, (ezhsg)  
To plant his garden and to \_\_\_\_\_. (vzhs)

But silly it would be \_\_\_\_\_ (hmcddc)  
To try and hurry up the \_\_\_\_\_; (rddc)  
'Cause seeds just lie there quite still in \_\_\_\_\_, (khmd)  
Waiting to grow in God's good \_\_\_\_\_. (shld)

Haste makes waste and loses \_\_\_\_\_ — (shld)  
'Cause soon you may be more \_\_\_\_\_. (adghmc)  
Like the turtle and the \_\_\_\_\_ — (gzqd)  
Only the slow one made it \_\_\_\_\_. (sgdqd)
