

Creating activities using Seesaw

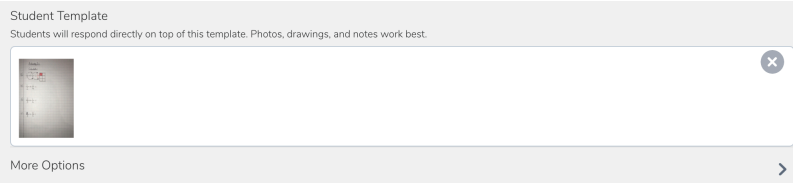

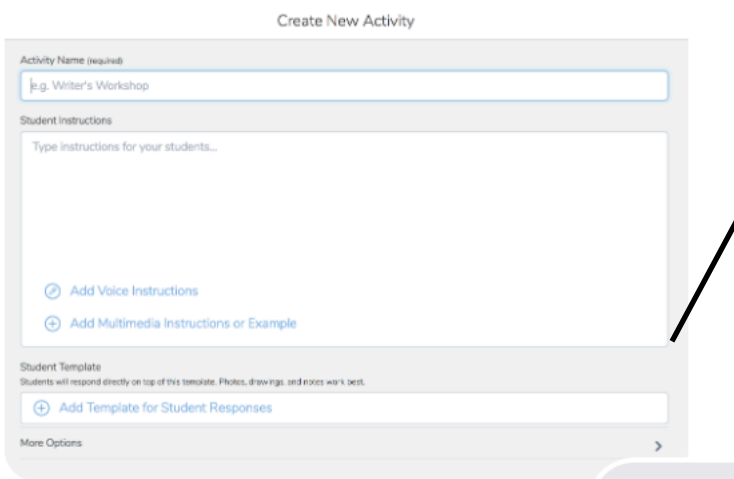

1 Teachers, tap the green add button then select  Create or share Activity

2 Tap 'Create New Activity'. You can also select or customize an activity from the Activity Library.

3 Fill in details of the Activity.

Don't forget to add the image as a template for the students to be able to write/record over.

If you tap More Options, you may:

- Tag the Activity to a folder
- Tag a skill to the Activity
- Publish the Activity in your Activity Library

4 Tap Preview to review the Activity

5 Tap 'Share' to publish the Activity

<https://www.youtube.com/watch?v=YkshBgjWJgE&feature=youtu.be&t=102>

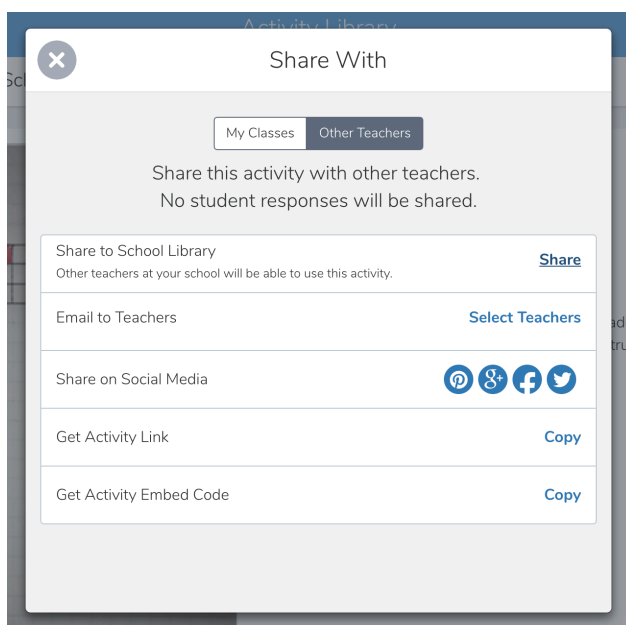

This is a link to a clip that shows how the students can respond and how you can view these.

To add the seesaw images to your instructions use the following 'codes'

<https://help.seesaw.me/hc/en-us/articles/115005120583-seesaw-icon-shortcut>

This is a link to the website that can show you the shortcuts.

To make the activity accessible to other teachers in the school. Go to share with teachers-share to school library.
