

China's Night Scenery 中国的夜景 Calendar 挂历 2024 年

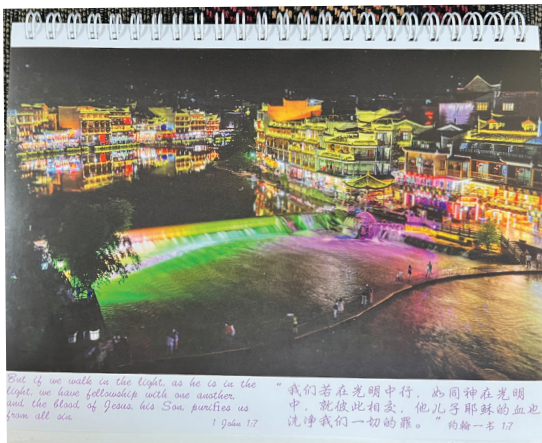

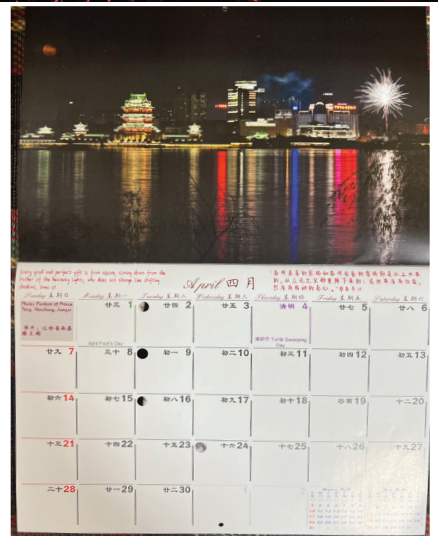

Dear YCIS Family,

For those that don't know me, my name is Leo Lazo and I have been with YCIS since 1995. This is my 8th year to produce a bilingual calendar with Chinese and US holidays of photos I have taken in my journey throughout China. I designed and produced these calendars. This year's theme is "China's Night Scenery." I hope this calendar would light up your day.

Proceeds will go towards the support of Huge Grace Orphanage. A privately run orphanage my wife and I have supported for over 20 years.

If you are interested in supporting Huge Grace, please place your order early so that I print enough because I've sold out the last two years.

Email me if you have any questions: leo.lazo@ycis.com
